7.1. If Purchaser’s obligations are not fully performed, Beritech shall be entitled to suspend progress of part of or all the Works by giving 1 (one) week written notice to the Supplier hereof. The right to suspend applies to all ongoing contracts between the Parties. During such suspension Beritech shall protect, store, and secure such parts or the Work against any deterioration, loss, or damage. Suspension may be initiated by means of a lack of payment, guarantee, request of a Variation or any other event which causes or risks damage and/or losses to Beritech.

7.2. If the Purchaser causes, requests or instructs Beritech to suspend and/or delay, the Purchaser shall give 1 (one) week notice to Beritech and admit an extension of time for any such delay, and/or payment of any such costs that are a direct consequence of the suspension.

Beritech is under no circumstances liable for any defect occurred on any product, equipment etc. not delivered by Beritech.

8.5. If the Purchaser has given such notice as mentioned in Clause 8.1 and no Defect is found for which Beritech is liable, Beritech shall be entitled to compensation for the costs incurred as a result of the notice.

9. Limitation of Liability

9.1. Neither Party shall be liable to the other Party for loss of production, loss of use, loss of profit or revenues (other than from the Contract Price), loss of data, downtime or for any other indirect or consequential, special or punitive loss or damage which may be suffered by the other Party in connection with the OC.

9.2. Beritech’s liability is in all circumstances limited to 100 % of the Contract Price. However, the aggregate liability shall not be limited in any case of personal injuries caused by intentional misconduct or gross negligence.

9.3. Beritech shall not be liable for nor remedy any defects arising out of information or documents provided by Purchaser or a design stipulated or specified by Purchaser.

10.2. Retention of title

Beritech shall retain title to all deliveries until payment has been made in full, including incurred costs and interest etc. Claiming retention of title shall not be considered a termination of the OC and shall not release Purchaser from performing its obligations.

10.3. Beritech reserves all rights to technical specifications, pictures, drawings, and other relevant information supplied by Beritech.

Such material is not to be copied, reverse engineered, shared, or made public and must be returned or deleted upon demand.

11. Pricing and Payment Terms

11.1. The Purchaser shall pay the Contract Price set out in the OC in consideration of Beritech’s provision of the Service.

11.2. If the Parties have agreed in the OC that the Contract Price is a fixed lump sum, the Purchaser shall pay this fixed amount without regard to Beritech’s actual consumption of time and materials.

11.3. If the Parties have agreed in the OC that the Contract Price shall be determined on a time and material basis, the Purchaser shall pay the amount determined based on: (i) the actual time spent by Beritech and Beritech’s subcontractors; and (ii) the materials used for the provision of the Service, including the Goods, if any. If the Parties have agreed on certain unit rates in the OC, the time and materials shall be priced in accordance with such unit rates. If no applicable unit rates have been agreed, the time and material shall be priced based on Beritech’s standard rates, provided that such rates must not be unreasonable considering the market value.

11.4. Unless agreed otherwise in the OC, Beritech may invoice 50 % of the Contract Price by entering the OC and 50 % of the Contract Price upon delivery of the Service. The Purchaser shall pay the invoice(s) from Beritech within 20 days from the invoice date.

11.5. If the Service is varied, altered, delayed or suspended due to any events or circumstances for which the Purchaser or any of his other suppliers or subcontractors is responsible, Beritech shall, in addition to the agreed Contract Price for the Service, be entitled to payment for: (i) waiting time and time spent on extra journeys; (ii) additional expenses for journeys and board and lodging for Beritech’s personnel; or (iii) any other costs and expenses that can be documented by Beritech to have been incurred as a result of such events or circumstances.

11.6. If the Purchaser fails to pay an amount by the agreed due date, Beritech shall be entitled to suspend the provision of the Service, subject to 3 days’ prior written notice. Further, Beritech is entitled to interest from the day on which payment became due at a rate of interest equal to 2 % added per month.

12. Preparatory examinations and installations

12.1. In case preparatory examinations, inspections or installations are required to take place at Purchaser’s place of business, for Beritech to perform its obligations and services, Purchaser shall ensure that all necessary conditions and equipment for performing the services are ready and available on site.

12.4. Purchaser shall ensure that any brought tools or materials are stored safely and dry, and well protected from damage or risk of theft or vandalism, in the period of which it is brought onto the site and until it is processed and/or installed.

13. Force Majeure

13.1. The following circumstances shall be considered events of force majeure (“**Force Majeure**”) if they intervene after the formation of the OC and impede its performance: Fire, war, scarcity of minerals or shortage of goods, quarantine restrictions, mobilisation or requisition, embargo, currency restrictions, and riots and insurrection, provided the said circumstance could not be foreseen and could not reasonably be prevented or overcome by the Party invoking the Force Majeure. In the event of Force Majeure, both Parties have a duty to seek to minimise any delay in the execution of the Works.

13.2. The Party invoking the Force Majeure by reason of any of the said circumstances shall notify the other Party in writing with undue delay of the occurrence of an event of Force Majeure and of the cessation thereof. Should delay be caused by any of the circumstances set out in Clause 13.1 above, an extension of the delivery/payment period shall be granted for the period the Force Majeure event prevails. In these cases, the other Party has no right to demand indemnity for damage, provided, however, that if the event of Force Majeure preventing

performance shall continue for more than 3 (three) months, either Party may terminate the OC with a written notice to the other without any liability hereunder.

17.4. Beritech reserves the right to amend these General Terms and Conditions at any given time. The governing version can always be found at www.beritech.dk.

14.2. After a termination based on the events or circumstances described in Clause 14.1, sub- paragraph (i)-(v), Beritech shall be entitled to recover from Purchaser any loss or damage incurred by Beritech. Beritech shall have no further liability towards Purchaser in respect of the OC and/or Terms.

The notice shall be given as soon as practicable and no later than seven (7) days after the Purchaser became aware, or should have become aware, of the event or circumstances. Further, the Purchaser shall no later than thirty (30) days after the Purchaser became aware, or should have become aware, of the event or circumstances giving rise to the claim, submit a detailed claim to Beritech with all reasonable supporting particulars.

17.3. A waiver of any Terms or any breach of the OC and/or Terms by either Party, shall not be deemed a waiver of any repetition of such breach or a waiver of compliance with a term or condition or in any way affect any other terms or conditions hereof, unless signed by the Party giving such waiver. The failure of either Party to enforce any of the provisions of the OC and/or Terms shall not be construed to be a waiver of such provisions nor of the right of the given Party thereafter to enforce each such provision.
